ABOUT US _____

FOR THOSE WHO LOVE TO DINE OUTSIDE

Del Campo Catering offers a variety of options for your outdoor lunches. We are known for our Peruvian flavor, for the use of organic products, and especially for our original and eco-friendly presentations.

We offer picnics, pachamancas, & box lunches & experiences along with your picnics, for all types of routes and activities.

Throughout our years of experience, our sincere concern for the environment has led us to work more responsibly and to be more aware of the footprint we leave on our planet. Therefore, our product is clearly focused on a responsible commitment to the natural environment in which we carry out our activities.

WHAT WE INCLUDE IN OUR PICNICS

We take it upon ourselves to transport the picnic gear and food in our own mobility, that is, the tables, chairs, kitchenware, awnings, bathroom tents, kitchen tents and others that are necessary to put together a nice lunch outdoors.

Lunch starts with an entry that varies according to the season. We may offer homemade soups with delicious aromas or fresh organic vegetable salads. The main course will depend on the clients' diets and a fresh herbal tea or a delicious coffee accompanies the dessert at the end of lunch. We do not serve soft drinks, but we do serve delicious natural refreshments.

The holidays of **July 28, December 24, 25 and 31 and January 1** will have a surcharge, which will be sent by email at the time of your quote.

PACHAMANCA _____

OUR PACHAMANCA

The Pachamanca is a traditional cooking technique that dates back to ancient times. At Del Campo Catering we're committed to offering unique and memorable experiences, and we love to prepare this option for our clients, with first-class service and 100% organic local products. Let's share this culinary experience as local people did in ancient times in moments of celebration, friendship and family.

We prepare and present this banquet in the most attractive and traditional way, always focused on maintaining the characteristic flavor that makes this meal something very original and unique. We offer a combination of flavors that will captivate those present in this very special moment of sharing what Mother Earth provides us.

- Matacuy Shot.

Prices include local taxes

NATURAL DYE WORKSHOP & PICNIC

Our natural dye workshops are unforgettable experiences of culture and color. For one hour in the countryside, surrounded by beautiful Andean landscapes, we invite our visitors to work with alpaca wool threads and three native dye plants, guided by our team of women artisans, to create wonderful colors using natural dyes. Del Campo Catering works closely with these women, committed to preserving the rich cultural and environmental heritage of the Andes. Each workshop directly benefits the preservation of artisanal techniques and the well-being of those who practice them.

ENVIRONMENT ---

COMMITMENT TO OUR ENVIRONMENT

Over the years we have managed to convert all the containers we use to biodegradable, which is why we DO NOT deliver plastic bottles in our products. We understand that all our clients need water for their activities, so we recommend contacting us to see the best solution for their specific logistics.

Likewise, at our catering company we compost organic waste and we separate the rest of the waste in order to be taken to recycling centers.

RESERVATIONS

Thank you for your preference, requests for reservations or quotes should be sent via email to our operations department. These requests will be answered within 24 hours.

Email for reservations: delcampocatering@gmail.com

At the time of your reservation or confirmation please provide the diets and food restrictions of your passengers.

PAYMENT _____

To confirm a reservation we ask for 100% of payment via bank deposit, maximum 7 days before the service.

If there is a **cancellation 48 hours or less before the service**, we will still charge 100% of the service.

In case of cancellations due to border closures or any other exceptional and unforeseen circumstances, we are open to discussion and finding a solution that fits the situation.
